

Insele i150 4 USB

Solar Battery with Charger, 4x USB & 12V Lighting

Initially designed as a rechargeable 12VDC electricity source and power bank unit for rural homes, the i150 4 USB features additional USB ports to power and charge USB-powered devices. These extra ports make it ideal for use as a small device charging station, with the added benefit of providing 12V lighting.

The i150 4 USB consists of 4x Insele dimmable lights, 4x USB ports and 1x 12VDC socket with a 12V 12Ah LiPo battery and 40W solar
